

Assignment for Ch. 21 – Africa in the Age of the Global Slave Trade

As you read Chapter 21 in your textbook, create a map of Africa with information about the changes taking place throughout the continent in the early modern period. Be sure to include the following on your map:

1. Label the important regions, kingdoms, and trade centers of the early modern era.
2. Show the sites of important events and developments that took place in the early modern era.
3. Show the places affected by increased global contact and commerce – and how different regions were affected. (For example, where Christianity had an impact, or where gunpowder empires developed.)
